

A contemplative
sanctuary of
fire and sound

**FireOrgan
by Trimpin**

An interactive video
installation where
people can add their
personal stories to
express thoughts and
feelings about how
the AIDS virus has
affected our lives

**Remembrance
by Wendy Clarke**

As part of **What About AIDS?**: *Science, Art & Human Stories*, the Exploratorium presents the premiere of two new art installations on view at the Exploratorium from **March 5 through June 2, 1996.**
